ABOUT IIFT

The Indian Institute of Foreign Trade (IIFT) was established in 1963 as an autonomous body under the Ministry of Commerce & Industry to contribute to skill-building for the external trade sector of India. It is the only B-School to host, The President, The Prime Minister, and The Vice President in the same year; on the occasion of completing 50 years as the vanguard in management education. The Institute was granted “Deemed to be University” status in 2002. The National Assessment and Accreditation Council (NAAC) recognized IIFT as a Grade ‘A’ Institution in 2005 and in 2015.
